MEMORANDUM OPINION AND ORDER

Issued: January 23, 2003

Released: January 27, 2003

Under consideration are a Petition to Intervene, filed on December 23, 2002, by Douglas M. Sutton, Jr., and Enforcement Bureau's Comments in Support of Petition to Intervene, filed on January 3, 2003, by the Enforcement Bureau.

In the **Order to Show Cause and Notice of Opportunity for Hearing** which designated this case for hearing, FCC 02-319, released November 26, 2002, at note 6, Mr. Sutton was identified as a current principal of Radio Moultrie, Inc. ("RMI"), the licensee of Station WMGA(AM), Moultrie, Georgia. Mr. Sutton seeks leave to intervene in this proceeding for the limited purpose of correcting the record to show that he holds no present ownership interest in RMI, and that he has not held any such interest since 1992. In support, Mr. Sutton submits a copy of a Commission grant of a transfer of control application whereby Mr. Sutton's interest in RMI was sold to the other two principals of RMI, and an Ownership Report filed with the Commission reflecting the consummation of the sale. The Commission grant was dated September 29, 1992, and the Ownership Report was dated December 1, 1992. Mr. Sutton, therefore, requests leave to intervene for the sole purpose of making the Commission grant and the Ownership Report a part of the record of this proceeding, and for the purpose of requesting that any order or decision released as a result of this proceeding reflect that, since September 1992, Mr. Sutton has had no ownership interest in RMI. The Enforcement Bureau supports a grant of Mr. Sutton's motion.

Good cause has been shown for the grant of Mr. Sutton's motion. He has apparently been incorrectly identified in the **Order to Show Cause** as a current principal of RMI, and he should be given the opportunity to correct the record in that regard. His petition will, therefore, be granted and he will be permitted to intervene in this proceeding for the very limited purpose reflected in his motion.

Accordingly, IT IS ORDERED that the Petition to Intervene filed by Mr. Sutton on December 23, 2002, IS GRANTED for the limited purpose recited above.
